| CAULI-RICE |
|----------------------------------|
| (instead of rice, courtesy TRMR) |
| Ingredients: |
| 1 cauliflower |
| 1 onion |
| 100g butter or coconut oil |
| salted water |
| |
| Method: |

In a food processor pulse the raw cauliflower until the consistency of couscous is reached

Melt the butter/coconut oil, sauté the onion until soft

Add the cauliflower and mix through the onion and butter. Leave heat on low-medium, and place the lid on top of the pot

Leave to cook for 5 – 8 minutes
